PRECAUTIONARY STATEMENTS

Harmful if swallowed. Causes skin irritation and serious eye irritation. If medical advice is needed, have product container or label at hand. Read label before use. Wash protective equipment and work clothes thoroughly after handling. Do not eat, drink or smoke when using this product. Wear personal protective equipment. Specific treatment is given in the First Aid section on this label or on the SDS. Dispose of contents/container to disposal plant in accordance with federal, state and local regulations.

Personal Protective Equipment (PPE)

Applicators or handlers of this product must wear: long-sleeved shirt, long pants, socks, shoes, and protective eyewear. Consult the SDS for further information.

FIRST AID

If Swallowed: Call a POISON CENTER/doctor or Chemtrec if person feels unwell. Rinse mouth. Have person sip a glass of water if able to swallow. Do NOT induce vomiting, unless told to by a poison control center or doctor. Do not give anything to an unconscious person.

If In Eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention.

If On Skin: Wash affected area with plenty of soap and water. Use tepid water if available. If skin irritation occurs: Get medical advice or attention. Treat Symptomatically. Take off contaminated clothing and wash it before reuse.

If Inhaled: Move person to fresh air. If person is having difficulty breathing, give oxygen. If not breathing, give artificial respiration.

GENERAL INFORMATION

VOLUTION Maxx is a flexible soil surfactant blend that allows turf managers to customize their water management and irrigation programs. VOLUTION Maxx increases the infiltration of water into the soil while uniformly holding it in the root zone over time. VOLUTION Maxx provides performance across a variety of turf and soil types.

VOLUTION MAXX IS DESIGNED FOR USE ON GOLF COURSES, ATHLETIC FIELDS AND RESIDENTIAL OR COMMERCIAL TURF, UNDER THE SUPERVISION OF GOLF COURSE SUPERINTENDENTS, SPORTS TURF MANAGERS OR PROFESSIONAL LANDSCAPE CONTRACTORS.

DIRECTIONS FOR USE

To enhance efficacy and avoid the risk of leaf discoloration caused by certain environmental conditions that may exist at application, apply VOLUTION Maxx using the application techniques described below.

APPLICATION TECHNIQUES

During weather conditions with high temperatures and/or low humidity take the following precautions:

- 1) Pre-wet the turfgrass with approximately 0.10 inches of irrigation water to reduce the concentration of VOLUTION Maxx on the leaf surface.
- 2) Following application, irrigate for 10-20 minutes to move VOLUTION Maxx into the root zone. Apply longer irrigation time if localized dry spot is already apparent.

USE RATES

Apply **VOLUTION Maxx** at 4 ounces per 1000 sq. ft. for performance up to **30 days**.

Apply **VOLUTION Maxx** at 6 ounces per 1000 sq. ft. for performance up to **45 days**.

Apply **VOLUTION Maxx** at 8 ounces per 1000 sq. ft. for performance up to **60 days**.

Apply **VOLUTION Maxx** at 8 ounces per 1000 sq. ft. in split applications, 2 weeks apart (for a total of 16 oz.), for performance up to **90 days**.

TANK MIXING

Unless prior experience has proven the combination to be effective, compatible and safe on the desired turf species, it is not recommended that VOLUTION Maxx be tank mixed with other pesticides, fertilizers, micronutrients, bio-stimulants or other such products.

STORAGE AND DISPOSAL

Protect product from freezing. If product freezes, warm to room temperature before use. Store in original container only and do not reuse empty container. Rinse container thoroughly, disposing of rinsate and the container in accordance with federal, state and local regulations. Do not store near heat or open flame.

WARRANTY

Seller warrants this material conforms to its description and is reasonably fit for the purpose stated on the label when used in accordance with any directions provided, with proper equipment in good working order and under normal conditions of use. Buyer assumes the risk of any contrary use. Seller makes no other expressed or implied warranty of fitness for a particular purpose, and no agent or seller is authorized to do so except in writing with a specific reference to this warranty. In no event shall seller's liability for any breach of warranty exceed the purchase price of the material as to which as claim is made.
